

Appendix # 2 to Bank Account Agreement

General Tariffs

**February 06, 2023
Tashkent, Uzbekistan**

- Tariffs for banking products and services are expressed in national currency (UZS) and/or Base Estimated Value (BEV).
- “Base Estimated Value” or “BEV” referred to below is the rate set by the Ministry of Finance of Uzbekistan.
- Bank charges the commissions in UZS, unless otherwise is stipulated below.
- The bank charges being subject to value added tax (VAT) include the amount of the tax.
- Cut-off time for payment instructions in Uzbek Soums and in foreign currency is 16:45.
- Transfer application in foreign currency is executed not later than two banking days from the date of receiving the transfer application by the Bank.
- Transfer application in foreign currency and/or conversion application is executed in accordance with the business hours of counterparty banks and taking into account public holidays in the country of origin of the currency of transfer application and/or conversion application.
- These tariffs are to be read in conjunction with the Bank’s Terms and Conditions and are valid only together with that.
- The Bank reserves the right to change the tariffs unilaterally at any time with informing the client.
- The Bank has the right to set the limits on the credit balances of its clients' accounts. If these limits are not complied with, the Bank has the right to charge additional commissions.
